## **City of Sedona New Covered/Secured Loads Requirement Effective April 10th**

On Monday, April 10, 2006, the new City of Sedona Covered/Secured Loads Ordinance goes into effect.

The key points of the Ordinance are as follows:

- Loads must be secured or securely covered to prevent the load from dropping, sifting, leaking or otherwise escaping from the vehicle;
- Vehicles must be free from loose materials such as sand, dirt, gravel, etc. (not including materials picked up from the road during the course of normal travel); and
- The Ordinance applies to primary vehicles, trailers, or towed vehicles.

Compliance with this Ordinance prevents litter on our roadways and provides safe travel for motorists and pedestrians. Please help keep our roadways safe and clean for all.
